Final Essay and Acknowledgement Letter

Upon completion of the class and/or production, each scholarship recipient is required to write an essay describing his experience at WYART. This is due one week after the completion of the class and/or production. The recipient is also required to write a thank you letter to the scholarship donor. This letter should be given to the Theatre Education Director no later than one week after the completion of the class.

Attendance Policy

Faithful attendance at WYART is necessary to obtain the maximum benefit of the education provided. Self-discipline in this area is expected of all students in all levels. Unnecessary absences or repeated tardiness is a discourtesy to fellow students and instructors. It places an additional burden upon instructors, classroom dynamics, and final showcase rehearsals. Parents are to encourage and ensure the punctual and regular attendance of all their children enrolled in a WYART enrichment program. Scholarship recipients are expected to display an effort to remain punctual and have regular attendance until the end of each workshop or production.

Student Behavior Policy

At WYART, we realize the importance of proper student behavior in order to facilitate an atmosphere favorable for the learning process. We expect and anticipate our students will respect instructors, staff, fellow classmates, and property with behavior that reflects honesty, dependability and accountability and adheres to the mission/vision/values of WYART. Scholarship recipients are asked to display impeccable behavior skills and act as mentors for the program. They are also asked to help out as often as possible if requested.

Dismissal Policy

WYART reserves the right to dismiss any student due to behavior problems and/or failure to abide by policies.

Please sign, acknowledging you have read and agree to follow these policies, agree to the completion of workshop/production essay, and understand the time commitment involved with each camp.
