Spring Production Workshop

Ugly looks quite a bit different from his darling duckling brothers and sisters. The other animals on the farm are quick to notice and point this out, despite his mother's protective flapping. Feeling rather foul about himself, the little fowl finds himself on adventure of self discovery all the while unknowingly outwitting a very hungry Cat. Along the way Ugly meets a whole flock of unique characters and finds out being different is not a bad thing to be.

Winter & Spring Classes & Schedule

WYART is dedicated to providing young artists with a theatre education that will help them excel in the performing arts. Our classes, lead by professional artists and teachers, emphasize technique, discipline, spontaneity, and theatrical skill. We focus on the artistic and personal development of the individual student.

In our core curriculum, new skills are added each session, so students are encouraged to take them same class multiple sessions in a row. We also encourage students to explore a variety of performance techniques as we offer acting, voice, and dance classes.

WYART's winter and spring classes will be offered in two 8-week sessions. Sign up for one or both!

Sessions culminate in an optional showcase performance for family and friends.
